A Note from The Lay Director

*Dear New Horizon Emmaus Community,
I pray that you have appreciated the blessing that God has bestowed on us. It has been so wonderful to receive rain and sell fat cattle at \$88/cwt. What a blessing. I encourage you to pray for our upcoming Walks, Men's Walk #15, September 25th - 28th, and Women's Walk #21, October 23rd - 26th, and Women's Walk #22, January 29th - February 1, 2004. Please pray for these pilgrims, team members, clergy and lay directors. Our prayers are powerful and God answers them. I encourage you to come to community on Thursday, September 18. We have some important information to pass on from the Emmaus people in Nashville. Please be present to hear and ask questions and talk to the board members who can help explain and answer you questions. We will pray for Troy Christian, Lay Director, Steve Patterson, Spiritual Director and team members of Men's Walk #15.*

A NOTE FROM THE SPIRITUAL DIRECTOR

This morning as I was doing some reading it was brought to my attention that if I was a better leader for God, I would have challenged us to be Christ like. I would have challenged us to read more of God's word each day so that we would be equipped for the journey before us. I would have challenged us to read the bible and take the message with us as we go into the world. I would have challenged us to be the disciples of Christ and "go out." What I can say to each of us is that it is never too late. It is never too late to begin a fresh. It is never too late to take our new joy out into a hurting world. For that is what we are called to do. Each time we see a "babe chick" we remember our special weekend and the cleansing we felt. That's great and that is partially what community is all about. But we also meet each month to worship together, to be in the awesome presence of God. So why don't we remember God's love for us each time we read about it? It is new every morning if only we allow him time. Today, as you read this, I want to be more than your Spiritual Leader. I would like to be a disciple leading you to a closer walk. I would like to take on the roll of friend, stranger, and/or sister. I would like to be the one to remind you of God's great love. I would like to say that this day is special because you are special to God. I would like to challenge you to read Psalm 46 and not walk away until you read John 3:16. My prayer for us: Lord, help me be a better leader as You allow me to move throughout this day. Help me to show others the Christ I serve. Help me, Lord, to be more like You. I will be so very careful to give you all the praise and glory. For it is in Christ name that I pray. Amen

Ruby Moultrie, Spiritual Director
