### A Note from the Lay Director

New Horizon Emmaus Community,  
I want to thank each of you for the prayers and love you showed Women's Walk #21. I also want to thank Debbie Annen and her team for their labor of love. What a blessing it is to share the love of Jesus Christ. I want to encourage you to come to community at the Littlefield Methodist Church on November 20, 2003. We will gather and worship God and we will also elect a new class of Board of Directors. Please pray about this election. This is so important for our community. These directors will have very important decisions to make and duties to perform. We need to elect people who have a deep love of God, a desire to be a servant, and a willingness to show up and work. Please pray for the new members of our community. Our work doesn't stop when the walk is over. Help these people get plugged into a reunion group, lift them up when they fall, and continue to pray for them. There is no higher calling than to serve our Savior, Jesus Christ.  
De Colores!

Your friend in Christ,  
Feller Hughs, Lay Director

**New Horizon Community:**

What have these three days meant to me and what do I plan to do with it? That is a question we are asked at the end of our 72 hours. That is a question we get to speak on “publicly” before we speak to anyone else on a “one on one” basis. So why don’t we ask that question of ourselves daily? It’s sort of like keeping a daily diary or having an accountability group between you and God. Today, have you told God what it means to be a part of the family and what do you hope or plan to do with that gift? Emmaus is not just three glorious days of getting to know Jesus again or even being reminded of what “knowing Jesus” really means. Emmaus is about knowing and living the gift of a wonderful life. Emmaus is knowing that the valleys exist and that Christ will walk in those valleys with us. Emmaus is having brothers and sisters to join us on our journey. Emmaus is freely having a constant prayer partner and warrior. Emmaus is being able to open up to and with someone and knowing prayers will be offered on your behalf. Emmaus is giving and receiving of “Agape” love, God’s love, to all we meet. So now I ask you again, on your Fourth Day: What has the last three days meant to you and what do you plan to do with it? We must, as participants of the family of God, ask these questions of ourselves, of each other, on a regular basis. I think it will more readily remind us of God’s presence in each and every situation.
