A Note from The Lay Director

Dear Community,

What a blessing to see the love shared by the women of Walk #22! Through your prayers and acts of agape love these women have experienced Gods grace and love in a new way. Continue to pray for them as they serve God in their Fourth Days. I want to thank Elsie Aaron, Joe Stewart, and the team for allowing God to work through them. You all did a great job. This month's community is Thursday, February 19, at Littlefield. I hope to see everyone there as we welcome the pilgrims from Walk #22 into this community. Sponsors – remind your pilgrims to be there at 6:15 to go over their closing packets. We will pray for Men's Walk #16 led by Larry Lutrick and Howard Rhodes. I encourage all of the team to come experience the blessing of this community praying over them. Also, keep praying for the 36 pilgrims that are going on this walk. May God prepare their hearts for what He has in store for them on this walk.

*“Let us concentrate on the things which make for
harmony and the growth of our fellowship together.”*

De Colores,
Todd Christian

MEN'S WALK # 16 (FEB 26-29)

The team and pilgrims of Women's Walk #22 wish to thank the New Horizon Emmaus Community for the many acts of kindness and agape love showered on us during our walk weekend. God showed up and He showed off and we were filled with the joy of His presence. With humble heart I give thanks for all the prayers that were lifted up for us, not just for the 72 hours, but for the MONTHS prior to the walk. My prayer is that the pilgrims and the team will never forget the message of God's unconditional love for all of us.

In agape love,
Elsie Aaron, Lay Director,
Women's Walk #22

Every Journey Must Begin Somewhere.

Not long ago, Sabra and I visited one of the largest malls in California. We wanted to shop in a particular store but were unsure of its location. As we entered the mall, there in the middle of the aisle was a directory listing all the stores and their locations. There was also a map of the mall, with the floor plan of each level, showing the exact location of the store we wanted to go to. On the map was a large yellow arrow showing the entrance where we had just entered. Next to the arrow were the words, "You are Here." The management of that mall knew that we could not find our way to where we were going if we could not locate where we were. "Every journey must begin somewhere." The same is true with life. Instead of wandering aimlessly through life, hoping we accidentally bump into our destiny, we have to stop and locate ourselves in order to move forward with effectiveness. We cannot treat our purpose in life like a lotto game of chance. Fulfilling your destiny is never a matter of chance, but rather a matter of choice. As we journey together as an Emmaus community, I want to encourage us all to choose the way of Christ ... walk in His Steps ... learn of His ways and discover the "Abundant Life" that He gives to those who choose Him. May the Lord bless and keep you all as you journey with Him!
Steve Patterson, Spiritual Director
