A Note from the Lay Director

Dear Emmaus Community,

What an exciting time of year and a stressful one. I know that some of you have family graduating from eighth grade, high school or college. We're all busy with our jobs and trying to keep up with our families. I sometimes wonder if we could be any busier. And then I wonder if I can remember a time when I wasn't. I find myself remembering the scripture from Psalm 46:10 – Be still and remember I am God. Are we really taking time to just spend some quiet time with God and enjoy a peace that only He can give us. Women's Walk # 23 led by Kim Sanders and Steve Claybrook was another successful walk. Thank you for your leadership and willingness to serve God. He put together the team that was needed to minister to the women of the walk and I'm sure that the pilgrims were not the only ones that received a blessing. Our next walk will be in June led by Burleigh Andrews and Larry Harvey. Please continue to pray for the team and the pilgrims that they will see God's will in their lives. We will pray over the team at the June community meeting. Also continue to lift up Sue Holt, John Graves and Stacy Mason as they prepare for their walks. The work on the ARC is coming along. When you see Burleigh be sure and tell him how nice the new tile looks. Also, thanks to all the others that have helped. The new carpet in the conference room looks good. Thanks to the members of ARC board for keeping the facility a nice place to hold walks and other retreats in.

*DeColores,
Todd Christian*

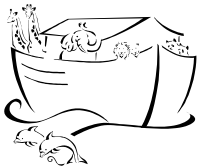

Chrysalis

That growth stage between caterpillars and butterflies is called a chrysalis. On the surface it may not look like much is happening, but the delicate chrysalis process changes the fuzzy caterpillar into an awesome butterfly with wings of intricate designs and intense colors. The chrysalis process symbolizes how Christ can transform you into something beyond your dreams. It happens when you grow beyond yourself, opening your life to Jesus' power and love. Chrysalis is the name chosen for the youth version of The Walk to Emmaus, its parent movement, because it symbolizes the spiritual growth that is essential between adolescence and adulthood. Chrysalis is open to upper high school students of any Christian denomination. We invite you to join this flight, an exciting three days of experiencing God's love in a fresh new way. Spread your wings!

 MEN'S WALK # 17 (JUNE 24-27)

Your New Horizon Board of Directors reminds you ----- Please do not bring infants, children younger than kindergarten or anyone who has not attended a Walk, or a Chrysalis to Sendoff, Candlelight or Closing. Please remember the serious nature of the Walk and the sometimes delicate dynamics surrounding the Walk. The presence of babies and young children is a reminder to the pilgrims of the family they have left at home. Your family and friends are welcome at our monthly Emmaus community meetings and are encouraged to attend to get a "taste" of the Emmaus spirit. Childcare is provided during Candlelight and Closing.

I borrowed this from the Llano Estacado Newsletter. It really spoke to me after I read Todd's letter. "Life is not a journey to the grave with the intention of arriving safely in a pretty and well preserved body, but rather to skid in broadside, thoroughly used up, totally worn out, and loudly proclaiming – WOW – What a Ride!" Thanks, God!

Let us not forget to give thanks, even when we're busy.....
