A Note from the Lay Director

Dear Emmaus Community,

I hope everyone is having a great summer. I know we are all busy with kids, activities and vacations but I hope we can set aside some time to serve and participate in the upcoming walks. Burleigh Andrews walk begins June 24th. We will pray as a community over his team at this month's meeting – June 17th. Continue to pray for Sue Holt, John Graves, and Stacy Mason as they prepare for the upcoming walks. They will be here before we know it. The Fourth Day talks have been such a blessing. I want to thank everyone who has shared their heart with our community. Clovis and Farwell will host this month's meeting at the Methodist Church in Littlefield. I look forward to seeing you all there.

This week I have been on a combine harvesting wheat. What a blessing to have had the rain and weather to harvest a good crop. But as the wheat matures it seems like it is looking for a reason to fall down or fall out. The other night as I drove home and watched the clouds roll in from the west I wondered what the weather might do to this fragile crop. I had harvested all that I could that day. This made me think about if I had made the effort to take care of the relationships God has blessed me with. Had I done all I could today to harvest the important things in my life. Did I hug my kids and tell them I am proud of them, and did I kiss my wife and tell her that I loved her, did I talk to a friend about their faith? Have you harvested all God has blessed you with today?

Chrysalis

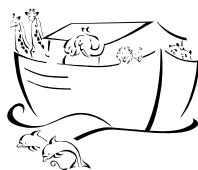

That growth stage between caterpillars and butterflies is called a chrysalis. On the surface it may not look like much is happening, but the delicate chrysalis process changes the fuzzy caterpillar into an awesome butterfly with wings of intricate designs and intense colors. The chrysalis process symbolizes how Christ can transform you into something beyond your dreams. It happens when you grow beyond yourself, opening your life to Jesus' power and love. Chrysalis is the name chosen for the youth version of The Walk to Emmaus, its parent movement, because it symbolizes the spiritual growth that is essential between adolescence and adulthood. Chrysalis is open to upper high school students of any Christian denomination. We invite you to join this flight, an exciting three days of experiencing God's love in a fresh new way. Spread your wings!

Your New Horizon Board of Directors reminds you ---- Please do not bring infants, children younger than kindergarten or anyone who has not attended a Walk, or a Chrysalis to Sendoff, Candlelight or Closing. Please remember the serious nature of the Walk and the sometimes delicate dynamics surrounding the Walk. The presence of babies and young children is a reminder to the pilgrims of the family they have left at home. Your family and friends are welcome at our monthly Emmaus community meetings and are encouraged to attend to get a "taste" of the Emmaus spirit. Childcare is provided during Candlelight and Closing.
