## A NOTE FROM THE LAY DIRECTOR

*Dear Emmaus Community,*

*Don't deny yourself a blessing by missing closing. As I sat at closing for this last walk the Lord began to reveal to me how blessed we all are to be a part of something bigger than ourselves. The Walk to Emmaus is not just about going on a Walk, serving on a team, or even working behind the scenes. This Walk is about building up the Body of Christ. Every time we hear a Pilgrim testify about what God did in his or her life on their walk. We can take heart in knowing each of us will be rewarded in heaven for our faithfulness regardless of how small we might think our contribution to the walk was. Each of us are blessed in so many ways. One big way is God allowing us to serve Him by participating in Emmaus. Go to closing and allow yourself the blessing of knowing that your faithfulness to serve was a part of something that will have eternal significance.*

*De Colores, James Clark*

Dear Community,  
I wanted to give thanks to Jesus for showing up in such a powerful way on Men's walk #20. And thanks to you, this faithful community, for supporting us through your prayers, gifts and service. Without you being the hands and feet of Jesus this walk would have never happened. But because of your sacrifices and prayers, all of the men on this walk will never be the same. Thank you from the team and pilgrims of Men's walk #20.
