## A note from our Spiritual Director

Greetings to the Saints of New Horizons Community:

It has been discussed at different forums, but I would like to mention this topic again. I know that we are to tell each group of pilgrims that Emmaus is not to be their church. We all understood why. However, sometimes we emphasize this aspect so much, that we lose the pilgrim before they get involved.

It is right and appropriate that all baby chicks have time to grow and mature before they are called to work in the conference room for a walk. Paul said lay hands suddenly on no man, meaning time is required to grow in understanding before heavy responsibility is placed on a person. However, many of the baby chicks want to be involved, but feel that they cannot due to the "not your church" restriction.

To all sponsors, please avail yourself of the opportunity to bring your baby chick to a community meeting as soon as possible. Most of us will note that the ones who come soon to a sponsors training and community worship, are more likely to be an involved member of our community. We can use some growth.

And to all of the regular faithful attendees at community worship services, I say thank you. God Bless and more power to you.

De Colores,

Ron Lacy

Dear Emmaus Community,

God showed up at Men's Walk #24, Halleluja-as Lalo Silva would say!! God is awesome. Thanks to the New Horizon Emmaus Community for all the love & support shown to the pilgrims & the team. I am humbled to be one of God's servants and to watch Him work. It was the Best Walk Ever--Honest! God bless every one who had a part in this wonderful experience!

De Colores, Homer A.

## **And now from the Lay Director**

Dear Community,

Men's Walk #24, led by Homer Haile and Ted Taylor proved to be another "Best Walk Ever". Thank you Homer and Ted for your obedience and willingness to serve on this team. Community, please be in prayer for Women's Walk #35 led by Peggy Goettsch and Ruby Moultrie. This walk is coming up April 12th - 15th. There is still plenty of room for pilgrims. Please mail the candidate and sponsor applications to Carolyn George.

It has been brought to my attention that there might be some confusion on who brings food and drinks to the community gatherings. The host towns for the community gatherings provide the drinks, setup and cleanup. Everyone else please bring your favorite snack.

If you would like to own a square foot of the ARK you can send your check of \$50 to Ricky Kuntz at the Amherst Christian Retreat Center in Amherst.

The board has decided to rotate churches for the community gatherings. Our March gathering will be at the First United Methodist Church in Littlefield. This rotation will not begin until April. At that time we will meet at the First Baptist Church in Littlefield. Our May gathering will be at Hamlin Memorial in Farwell and June's gathering will be at the Nazarene Church in Hereford. Please pass this information on to all of your Emmaus friends and church families.

At the March gathering the board of directors will be signing the Annual Letter of Agreement. This letter is the agreement between New Horizon Emmaus Community and The Upper Room International Emmaus Office. This is our authorization to conduct Emmaus Weekends using the Emmaus name, Emmaus resources, and Emmaus model for the three-day event and Fourth Day emphasis. This letter is an essential part of our covenant with each other to be faithful to the gift of this movement entrusted to us by God. Please plan on attending the March gathering for this special time.

De Colores,  
Laura Woolam
