## Thoughts From Our Spiritual Director

*My dear friends, stand firm and don't be shaken. Always keep busy working for the Lord. You know that everything you do for him is worthwhile. 1 Corinthians 15:58*

Paul wrote this to the Corinthians about trial and troubles in and about their church. Many factors were involved in the continuing work of God's people in Corinth. Nothing has changed! There will always be obstacles in the path of our continuing work as believers. We have an enemy that will always find ways to cause problems within the Body, whether it is a local church or an Emmaus community.

A wise preacher of the gospel once told me that if Satan was not after you, maybe you were not causing Him any grief! Could it be that the harder we work, the more Satan wants to cause problems?

One of our present problems is encouraging enough members of the clergy in this area to work in our community. We all know that preachers and pastors have plenty to do! So what they decide to do is related to their priorities. My priorities can be changed by the encouragement of friends and fellow Christians.

Therefore, once again, I am admonishing each member of this community to discuss with your Pastor, the importance you place on our Emmaus community. We all acknowledge that this is not our church, but it is part of our Christian work. Do we not all feel this is important?

So please pray for our need for clergy! And then put feet to your prayers!

Thanks for your help

De Colores, Ron Lacy

## From Men's Walk #26

Dear New Horizon Emmaus Community –

What can I say but wow! Once again we witnessed God move in a powerful way on Men's Walk # 26. Even though the sign-ups were pretty slow at first, they really began to come-in towards the end, and we ended-up with 26 men on the weekend ... one of the largest Men's Walks in our community in recent history. This also included four pastors and two music ministers, so moving the Walk to Wednesday – Saturday was a success!

Every man on the Team, from the Clergy, to the Tables, to the ALDs and Board Rep, the Prayer Angels to the one-man Music Team did an awesome job ... once again God proved He knew what Team this Walk needed, and got them together. I was so blessed to be surrounded by such a great group of Godly men!

I just want to thank the Community for all that you did ... your prayers, the food and agape you brought, all your work behind the scenes, and especially for showing up on Friday night to fill the church for Candlelight ... you truly blessed those men! Ricky Kuntz ... I tip my hat to you and your staff.

And to the New Horizon Board, thank you for allowing me the privilege to serve as Lay Director of this weekend. It was an honor and a blessing I'll never forget!

God Bless and DeColores!
