Thoughts From Our Spiritual Director

What a wonderful gift God has given to the larger body of Christ in the Emmaus walk. Thousands of people have had a powerful encounter with Christ on their Emmaus walk that has forever changed their life. Hearts have been renewed, marriage saved, reasons to live again, for some who have attended a walk many have come to know Jesus as personal Savior and Lord. What a wonderful blessing the walk to Emmaus is to the body of Christ. As I begin to serve this community for the next year it is my commitment to see that every pilgrim will find the freedom and atmosphere on their walk to draw closer to Jesus and be drawn closer to him. The board, I know feels this way as well. It is not our purpose or intent to put restrictions on anyone or anything that would prevent them from heaving a powerful encounter with Jesus Christ. God knows exactly what He wants to accomplish through Emmaus, our responsibility is to respond to the leadership of His Holy Spirit in making every walk unique in itself and unique for every pilgrim.

See you at send off and community.

And Now Our Lay Director

Decolores! WOW! ONE WONDERFUL WALK COMPLETED, ALREADY, IN 2008! IF YOU MISSED IT, I'M SORRY. But there's good news...there are 6 more walks in 2008! The new dining room is great and the team & pilgrims of women's walk #38 are testimony to that fact! Thank you ..., everyone that had anything to do with it. I will add that we still need money for the completed project...so write a check & mail it to the community. Please pray for the community, the walks, and the board. We want God to be glorified through this tool called "Emmaus". Have a great 2008, get involved, sponsor somebody!

Thoughts From Women's Walk #38

New Horizon Emmaus Community,

I cannot find the words to express my deepest feelings for the New Horizon Emmaus Community. Thank you for your love and support of Women's Walk #38. The prayers were tremendous and felt by everyone. The food and pillow agape was wonderful and abundant. The banquet and agape snack was just beautiful and exquisite. The new dining room was absolutely fantastic as it provided a place for all of us to share our meals as a family and that was very special. Blessings to Ricky and the staff for the wonderful food they prepared for us. Candlelight was breathtaking. The conference room team and the outside team just worked beautifully together. I thank God for all of you -what an awesome job you did letting the pilgrims see Jesus and for some meeting Jesus for the first time.

God touched many lives this weekend pilgrims as well as team members. I believe that our hearts were burning as Jesus was revealed to us when we walked down the road to Emmaus. I don't think that any of us will be the same. It was so exciting to see God's hand working in all areas. God was absolutely and positively at the Ark!

I want to thank you for the opportunity to serve as the Lay Director for Women's Walk #38. It was an honor and privilege to serve the Lord, the pilgrims, the team and the community and I am very blessed and humbled. The Lord revealed Himself to me in ways that seem impossible. On the day that the walk started, my sister gave me a bracelet (that I have yet to take off) that reads "I am with you". It was words that I needed to hear. It reminded me to move over and let God work. As I look at this bracelet today I am reminded that God is with me as He is with you. So let go and let God. This was truly an experience that I will never forget. I love you all so very, very much.
