## Thoughts From Our Spiritual Director

1 John 1:9

If we confess our sins, he is faithful and just to forgive us our sins and to cleanse us from all unrighteousness.

We spend enormous amounts of time energy and money to keep our bodies healthy and toned. It seems to be one of our most important concerns. We set aside time and spend money in this endeavor. Lent is a time in the church to take care of our soul and spirit which will live forever. Confession and repentance is to our soul and spirit what food and exercise is to our bodies. Through confession and repentance I keep my soul and spirit healthy and toned so that the master can more effectively use me for the ongoing work of His kingdom. Take every opportunity this Lenten season to examine your relationship to God through Jesus Christ and then pray "Lord Use Me"

## And Now Our Lay Director

DeColores to all of you!!

Another month has passed and another Great walk has been experienced. Lay Director, David Hunt & the team of Men's Walk # 27 saw God work in an awesome way. 30 pilgrims were blessed, and have become a part of this wonderful, New Horizons Emmaus Community! We welcome each & every one of you.

Some of you may know George Rushing, from Friona, TX. George has just returned from a mission trip to Africa, where the team ministered to the folks there by showing the film "Passion of the Christ". The mission trip was incredible...but it was what George said next that really struck me. "Just be glad you live here... (Meaning West Texas)". "I'm so glad to be home that I'm grinning ear to ear".... & he was. In a nut shell, we do need to be grateful for all the blessings that we enjoy. I, like you, sometimes feel that I need to go to "Africa" to do God's work...but you know...we don't. Gods" mission field is here! Emmaus is a tool that each of us can be involved in. HERE! The Emmaus story tells about how a fire was burning in their hearts as Jesus talked to the 2 travelers. You & I felt that fire on OUR walk. I'm so glad that God started that fire in us...so that we can share The Good News, HERE in West Texas. I urge each of you to "Get Back on Fire" for God, & Emmaus. There is a place for you, and your reunion group, to serve on each walk and we want to see each of you at Community, each month. Keep the fires burning!!

DeColores, Homer A.

## Thoughts From Men's Walk #27

New Horizon Emmaus Community,

One word comes to mind as I write this letter to the community it is LOVE, and there was a TON of it times infinity. Thank you does not even come close, as ya'll showered the pilgrims and team with everlasting Love. GOD was definitely in charge over the whole walk, from team selection to the pilgrims, and even the walk date. The prayer warriors were awesome, from the ones at the ARK, to the ones on the prayer vigil list, yes even the prayer vigil loved ones are warriors in my book. The Clergy Dudes were top notch as they were there by God's calling, leading us to the feet of God time after time. Table leaders and assistant table leaders were definitely the front line soldiers for God. The music hit home every time Steve sang, and the talks were just plain awesome, from the first one to the last one there was a lot of eye sweating going on no matter how cold the room was. Thank you community for all of the Agape that you provided from food, (lot's of it) to the pillow (also a ton of it). Thank you sponsors, for sending your pilgrims, and to the pilgrims, Guy's I pray that God will keep revealing Himself to you as your fourth days journey continue, sure you might fall but God will be there to pick you up and dust you off time and time again.

DeColores
