A Note from our Community LD

God is Good All The Time!! A big Thank You to everyone for making Men's Walk #28 one of the Best Ever! Tommy Clayton & his team were blessed to have 22 Pilgrims on the walk. Two of them were SAVED!!! Praise The Lord! We appreciate Tommy & his team & the New Horizon Emmaus Community.

Please, mark your calendar & keep the following dates in your prayers....Women's walk # 40, with Kim Hatla,L.D. starts July 10th. All reports are that it is FULL!!! Community will be at Hamlin Methodist in Farwell,Tx on July17th. Lets all make an effort to be involved in this walk & community meeting on the 17th. Lyndall Favor is the L.D. on Men's Walk #29 in Sept. Lets all help & get this walk filled up too.

The Board decided sometime ago to rotate the Community Gatherings. I realize that it may be hard for us all to make every Community. In fact, very few folks can. But, it has worked pretty well. This month, Community will be at Farwell, Tx. I want to urge everyone in that area to talk it up and be at Hamlin Methodist on the 17th. We want everyone to come, but in reality, it's a long way from Lamesa to Farwell. So, I'd hope everyone near Farwell, will make a special effort to be there. Let's all support the Community Gathering, especially when it's in your back yard.

Finally...Many Communities have a big Christmas Community Meeting. I mean, if you don't make but one Community Meeting a year...you don't miss the December one because it's going to be special and everybody is going to be there...EVERYBODY!!! DECEMBER IS 6 MONTHS AWAY. MARK YOUR CALENDAR ANYWAY... DECEMBER 18TH IN LITTLEFIELD, TX. Watch for details, just plan to be there!

From Men's Walk #28

Dear New Horizon Emmaus Community,It has been my great privilege to serve as lay director for men's walk # 28. It truly was the best walk ever!!! I would like to thank this community for all your sacrifice in agape, food, prayer, and sponsorship. At times it becomes a little hectic, but you came through and God moved mightily! Each walk is different in its own way, but if we will be humble and get out of His way He will accomplish His will that He has for others and use each of us in a mighty way. I have been very blessed to serve with such a great group of humble men on this team and pray God will bless you. Guys, thank you so much for your service to the Lord and the pilgrims, you did an awesome job!

Please continue to praise the Lord for the work He has done and continues to do in the lives of these men. We can't stop praying for them now!

**DeColores!

Thought for Today

As Christians we are called to be the light of the world. We're supposed to be examples to the people around us who are not saved. It is our job to show this dying place a love from a Savior that will erase their deepest, darkest secrets and give them hope for a future. The only way to show the love of Christ is to act like He would.

The other day I was cruising down the highway in the city when a van past me by. I glanced down at my speedometer and I was going around 65 miles an hour. So this guy was hauling. After he passed me, a speed limit sign showed 45 miles an hour. "Wow, he's just asking for a ticket." I snickered as he continued to pass.

After he passed through, I was amazed to see that it was a van for the handicapped, and on the back it said, "We take pride in driving safe, see you at the next stop light." I couldn't believe what I just saw. Here was a guy already breaking the law and then to be speeding displaying that type of sign on the rear of his van, was just beyond my comprehension. Now, I don't know about you, but I started to think differently of how this person was. Sure he says one thing about driving safe, but then the next second he's speeding down the highway.

Of course it didn't take me long to realize that if I knew he was going faster than 65 there was a problem, because not only was he speeding, but so was I. Now I don't have a "drive safe" sticker on the back of my truck, but what I do have is a bumper billboard for the tailgate of my truck. I have two Christian bumperstickers and a sexy little gold plastic fish attached. So, when people see my truck, they know that a Christian is inside it, but, when they see me flying down the highway drag racing a handicapped van, people will start to wonder what kind of Christian I am.

When you claim Jesus as your Savior you also claim His name. You become a walking billboard for Christ. Everyone that passes by you knows there is something about you that sets you apart from the crowd. Knowing this, we have to strive to be as good a Christian as possible, because through our actions, we give people reasons to believe in us or to think that it's all phony I mean if you can't tell the difference between a Christian and a non-Christian then what's the use?

Use this week to set yourself apart from the rest of the world and let your little light shine. You would be amazed at how fast light can travel. May peace be with you.
