A Note from Our Community Spiritual Director

HOPE! Jody and I have worked Walks the past three weekends in three different communities. We are part of the team for New Horizons Women's Walk #55 on July 11-14. What we have noticed for many pilgrims entering the Walk is a sense of hopelessness. They may or not be active in a local congregation; but a common denominator seems, at least to me, to be that sense of hopelessness.

Proverbs 13:12 states that delayed hope makes one sick at heart. I have heard well over 30 testimonies of hope deferred in the past three weeks. Jody's own story is moving and heart wrenching. How does one cope without hope? For some, the wounds are fresh. For others, the sores have festered for years. Some face past abuse, grief, betrayal, rejection, health issues of varying degrees (physical, mental and emotional), depression, unforgiveness, anxiety, and other worldly attacks at peace, security, hope.

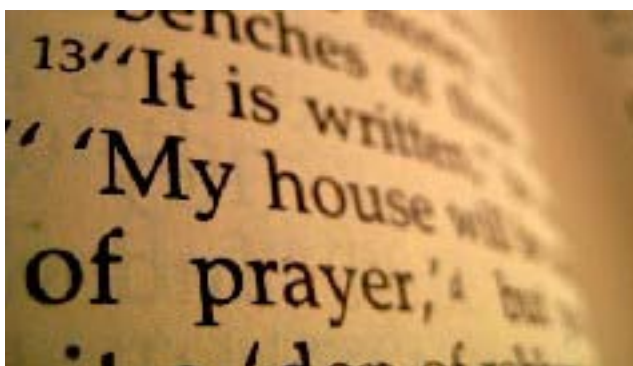

Isn't it amazing how 72 hours spent in the presence of God with the Body of Christ intent on portraying the grace and hope with a common Holy Spirit led purpose breaks down the hopelessness of the many who enter the confines of the retreat center with trepidation on Thursday night? But story after story, encounter after encounter with the agape of God and His people, lives change from despair to hope. Revelation 12:11 says, "And they overcame him because of the blood of the Lamb, and because of the word of their testimony. And they did not love their soul until death." We die a good death Saturday, with resurrection hope following. Sunday afternoon sees weary, but energized pilgrims and team members ready to face their Fourth Days with renewed hope and promise. Proverbs 31:12 ends, "but a fulfilled longing is a tree of life." Emmaus provides this for many. Never give up in well doing.

Blessings, Ted

Women's Walk #55

July 11-14, 2013

A Note from Our Community Lay Director

Dear Community,

Well, here we are just a few days from the second walk of 2013. I know that God has great things in store for all these ladies that will spend their weekend at the Ark. He always has great plans in store for those who love Him and seek Him.

Please be in prayer for this Walk #55 and as well as the Men's Walk #39 beginning September 12th weekend. Also, please be asking God who YOU should be sponsoring on these remaining walks in 2013. We need to be encouraging young and older men to step up courageously to be leaders in their families and inspire women, young and older, to teach their children to know God intimately.

I would like to take this opportunity to thank, Linda Cowan and Ray Grappe for their willingness to follow God's call to be the lay-directors for these two walks. God is using Emmaus so powerfully as a tool to show love and freedom.

Please be in prayer for our country and our citizens (including us) to step up and stand for God in this nation. We are a country whose foundation was based on Godly principles from the beginning and we need to not allow history to be rewritten, that God was not part of that founding.

The 2013 New Horizon board members would like for you to mark your calendars for Saturday, September 13th. We, as a board, are planning a cookout for the entire New Horizon community that evening, followed by candlelight for Walk #39. Please make plans to bring your family and be a part of the fellowship and also to support Walk #39.

The entire Board thanks you for the honor of serving you and our Lord in this capacity,

Lee Ann
