A Note from Our Community Lay Director

Dear Community,

As I have prayed for our Community for 2015, I pray that it's a year of power! My prayer has been that more people be freed from bondage than ever before; that chains of addiction be broken forever. I pray that we see more marriages and families restored. I pray that we see more and more men step into their role as leaders in their homes. My prayer is that we women submit to our husbands and allow them to be all that God has created them to be!

I ask you to join me in standing in faith and claiming and receiving all of these things for God's people and for our Community in 2015.

I believe that we are on the verge of a great awakening ... a revival the likes of which we have never seen. I also believe it starts with us. The Emmaus community is an example of God's people coming together and breaking down all the walls that have divided us. I pray that there be no denominational walls, no racial walls, no socioeconomic walls...no walls of ANY kind separating us.

Here at Emmaus, we are raising up leaders. Our board members are Godly men and women on their knees before the Lord, in prayer for each of you. They are our leaders. The lay directors, spiritual directors and team members on each Walk are serving on behalf of our Jesus in raising up leaders. Each pilgrim is at the beginning of a path that leads to their own journey of leadership. God has called us all to lead!

This Christmas, one line of a hymn really spoke to me. "Let earth receive her King." Friends, we are preparing this place for HIS return. Let earth receive her King AGAIN.

DeColores!
 Laura

ATTENTION

Lubbock, Bovina, & Springlake will host this month's Community which is at FUMC/Amherst. These cities' Emmaus members will be serving for this gathering.

Hosting an Emmaus Community Meeting

Many of our Community members have asked the question, "What does it mean when it is announced that certain Towns will be hosting the next Community meeting?"

This means that those Towns will be helping with our meal after our meeting, and the following is what includes:

Please head to the Fellowship Hall just a few minutes before the close of the meeting to place the food on the serving table with serving and eating utensils, setting out condiments needed, cut desserts, pies, cakes, etc., and placing those on the desert table, placing ice in cups and helping with serving the drinks. Then helping clean up after everyone is finished which includes, wiping off tables, washing/drying/putting up dishes, & taking out the trash.

Serving in this way enables all to be involved, and prevents the same members from doing this each time we have a Community Meeting.

Blessings,
The New Horizon Emmaus Community Board

A Note from Our Community Spiritual Director

Whether you are ready for not, a new year has begun. Each year in January we take a look at where we are as well as what is ahead. We had an amazing last year and God worked through this community in a mighty way. But I believe the best is yet to come.

When we drive we glance in our rear view mirror to remember where we have been and the lessons we have learned. However, we focus on what is ahead of us. That's where the best view is and where we are being lead.

As your new Spiritual Director, I am excited and look forward to working together with you as God unfolds His plan for us.

Prayers to all,
Janet

Prayer coverage enables pilgrims to return to their churches and community renewed in the commitment to be effective disciples. THIS is the purpose of Emmaus.
