A NOTE FROM THE COMMUNITY SPIRITUAL DIRECTOR

Hello Community,

What an amazing, Spirit filled, chain breaking, marriage restoring, life giving year we have had at New Horizons! I am in awe. God has been so good to us as He walked with us through the last five Walks, and ten Community gatherings. There is no one like Him!

At a moment in which I was reflecting on this last year, and all that God has done, I received a call from "The Real Don Stone," who is leading the first Walk of 2019. He is preparing, right now, for his first team meeting! The train has not slowed down, and it has not parked for the holidays! God is still moving, and His people are getting ready, right now, for the "more" that He has for us in 2019.

As we pause and give Glory to our God for all He has done in 2018, let's also "climb aboard" for His works in 2019. May The One True, and Living God, be present in all you do these next two months, and may He richly bless you with the knowledge of His great love for you.

De Colores! Jackie Qualls

A NOTE FROM THE COMMUNITY LAY DIRECTOR

Hello Community,

Once again, I pray that this note finds you in good places with great people. Thank you for loving people around you like Christ loves them. That is what we are called to do you know... meet people where they are and just love them. Doesn't always mean that we are there to fix them or to change them, but we are there to show them a different way of life. A way that shows mercy, a love that doesn't always judge, and actions that shows the Master.

We must understand that people want to do right by God... in most cases! Sometimes they; we, loose our way. Sometimes things get so distorted that the truth seems impossible to find again. Maybe sin in their lives has taken over their priorities. Maybe, you or I might be the only thing that reminds them of a day that was real and simple. A time long ago that they remember God working in their lives and things made sense.

I remembered a quote this past week I would like to share. Dennis Kinlaw said "Satan disguises submission to himself under the ruse of personal autonomy. Ne never ask us to become his servants. The shift in commitment is never from Christ to evil; it is always from Christ to self. Instead of His will, self-interest now rules and what I want reigns, and that is the essence of sin" We all know what's in the middle of SIN- yep you are right, "I".

When we are out and about, people from all walks of life are looking and watching you and I and seeing how we handle this thing we call life. Are we rising above the calls of this world? Are we loving on people that are struggling? Are we judging or are we living out the love of Christ that He called us into action for?

I know our Community and I know what and where you are... Doing what God wants you doing! Forth Days?

Love you brothers and sisters. See you at community meeting.

De Colores! Brian G.
