A NOTE FROM THE COMMUNITY LAY DIRECTOR

Greetings New Horizon Community ~

Do you ever want things just to slow down so that you can live in the moment? Is it hard to focus during the special moments because of all that is happening in your life? Do you find yourself just wanting peace in your full schedule?

Jesus said - Peace I leave with you; my peace I give you. I do not give to you as the world gives. Do not let your hearts be troubled ..." (John 14:27) ... Peace is our inheritance. Peace is what Jesus left us. This is what He means by "I do not give to you as the world gives". Perhaps you can understand that this time of the year more than other times.

This season I hope that all of us can "live in the moment", recognizing the value each moment holds. Each moment is precious because it will never come again. We need to be present wherever we are – to truly "be there" in mind and heart, not just in body. Wherever you find yourself, look for God in each moment and each situation. Appreciate the gifts he gives you. The hug of a child, time with family members, the chirping of a bird, the beauty of the clouds – don't miss the blessings that could be overlooked by losing focus and being consumed with what is next on the calendar.

He is our place of rest ~ seek Him in these busy times.

DeColores ~Jill Lindsey

A NOTE FROM THE COMMUNITY SPIRITUAL DIRECTOR

Hi Community!

If you could go back in time and talk to yourself at 18 years of age, give advice, warnings, encouragement, etc, what would you say? There would be a laundry list of things I would say to my 18-year-old self, many of which I would not write in this article! Here are four things I know I would tell myself.

- 1) Time flies, so seize the day! James 4:13-17
 - 2) You are about to meet friends that will change your life-choose wisely! I Cor. 15:33
 - 3) Set aside money out of every check so you can give it to others as The Lord leads you. (You will never regret this!) Malachi 3:8-12
 - 4) God is near, he knows you, and He has always loved you. Romans 8:1, 8:31-39
- It took me a long time to believe #4. I wish someone would have told me this.

What would you say? Now, go tell someone that you know those things. Bless someone younger than you with the insights you have gained. This is the next best thing to a time machine to travel back in time with!
