A NOTE FROM THE COMMUNITY LAY DIRECTOR

Hello Community,

May is here and with it so much is changing. I sat watching a couple of birds building a nest outside my door this morning and was reminded of how every year I watch them build in this same spot as they are preparing for new life. All of our lives have been affected in the past couple of months in some way, but I have a definite sense that out of the ashes of what has been going on that Christ wants to bring new life.

In ***Ephesians 1*** Paul prays over the Church of Ephesus a prayer that I have often written in letters to Pilgrims because it is so powerful, and I believe very fitting for a time as this. No matter what your thoughts about the pandemic, we can all join in belief and knowing that God can be Glorified. My prayer for each of us in this community is ***“that we can continue to grow in our experience of the full revelation of the hope that is available through our Jesus.”*** Our identity, our inheritance in Him is and should be visible in new life. I love The Passion Translation in verse 19 states ***“your lives will be an advertisement of this immense power as it works though you.”***

I shared several months ago that the Holy Spirit was giving me the word Expectations and that His work was not going to look like what I was expecting. How much He has reminded me of that over the past couple months. I believe new life is coming. Like those birds are building a nest in preparation, I believe God has been using these past days to prepare us for a new way of life that He wants us to see. Keep searching and watching for it, expecting it so that He will be glorified.

I am so looking forward to getting back together with all of you. Keep pushing forward and keep loving.

~De Colores,
James K

A NOTE FROM THE COMMUNITY SPIRITUAL DIRECTOR

Hello Community,

Anyone tired of “sheltering in place?” If I had to stay at home the whole time, I would have lost my mind! Luckily, I had plenty to do in building our Barn house. Not going to lie, I really liked some of what came from quarantining.

One thing I have missed is being with each of you. The Church needs to be together! It is time now for us to do just that. This month’s Community worship will be at The Barn Church in Herford. I know that some of you may not be ready to gather. That is perfectly fine. I know that some of you are ready to gather so get yourself to Herford Thursday the 21st! I cannot wait to see you, and worship The King with you this month!

Be blessed, Jackie Qualls
