ATTENTION EMMAUS COMMUNITY

Currently we are living during a time where things are changing daily. Due to several laws that limit mass gatherings for health, safety, and current area cancellations, this Emmaus Board has prayerfully made the decision to cancel WW#76, scheduled for July 2020, just as we had to cancel WW#75, that was schedule for March 2020.

Community, we ask that each of you, please continue to pray for GOD's wisdom and direction, as we navigate through our current daily living challenges.
♥Eph. 3:20-21 ♥

ONE CALL

We have been trying for years to figure out how to get our current active members names on our One Call list for announcements. Thanks to the fact our community has grown so much we have reached the maximum number of calls that can be made with the service we have now. In fact, many of you who have joined us the past couple years have never even received a call.

To update our list, we have decided to totally flush the contact list and start entering with most current walks and work backwards. If you have been on the list previously and want to continue to receive One Call announcements. I need you to send a quick email to:

newhorizonemmaus@yahoo.com

with name and current phone #. Please try to limit to one per household so that we can make room for more people. If we do not receive response you will be taken off the call list to make room for others who are trying to get added.

A NOTE FROM THE COMMUNITY LAY DIRECTOR

Hello Community,

There is so much going on around our Country right now that it is easy to get overwhelmed. As the world around us is so divided, I am reminded of the thing that I am most thankful of about this Community. That we have become a body of believers from all camps, that comes together to Worship our God and love others, despite any differences we may have.

The Board has made the decision to move forward in Community events. We currently plan to have Women's Walk #76, in July, and Men's Walk #53, in August. We want to take ground back in doing what we do so well, loving each other, and allowing God to work through us to call others into that love.

Ephesians 4:1-3(NIV) *"I urge you to live a life worthy of the calling you have received. Be completely humble and gentle; be patient, bearing with one another in love. Make every effort to keep the unity of the Spirit through the bond of peace."*

I want to encourage us all to continue to do exactly that, as we move forward. There are some in our community that need to continue to distance. I want to encourage you that you are not forgotten or thought any less of. We realize that family health and other circumstances make it wise to distance. Please know you are loved, and we look forward to the day when we can all come back together. Others are ready to move forward; I hope that we will all seek Wisdom, of the Spirit, as we do that and do not place ourselves or others in harms' way.

I continue to ask you all to please be in prayer that God will give us protection and wisdom, as we attempt to move back into doing the activities of Emmaus. Specifically, be praying for Women's Walk #76 later this month; Melanie Gruhlkey, and all her Team, and Pilgrims, more than ever, need to be covered in prayer. Stay tuned to hear more details as we move forward. Hoping to see you all again very soon.

A NOTE FROM THE COMMUNITY SPIRITUAL DIRECTOR

Hello Community,

Unity.

A beautiful and sometimes fragile thing. Jesus prayed that we might all be one. *"My prayer is not for them alone. I pray also for those who will believe in me because of their message, that all of them may be one, Father, just as you are in me and I am in you."* John 17:20-21 Jesus' desire is that all believers would be unified and joined in the holy fellowship of, The Father, The Son, and The Holy Spirit. We have seen the beauty of this unity in our Emmaus community. The blessing of God is on us. May this unity always be a part of this Community! This unity is needed now in all the congregations represented by our community. The enemy comes to kill, steal, and to destroy. What better way to attempt this than to get the members of the body of Christ to turn in anger on one another due to fear. What we have seen and experienced is needed now in our home congregations. Be a peacemaker. Be willing to hold your convictions and give of your freedoms to help your brother and sister in Christ. Ask God to let you see those that differ from you with His eyes. Above all, choose to love and to forgive, just as Christ loves and forgives us. Much love to each of you as you shine in this dark time!

~Be blessed, Jackie Qualls
