ONE CALL

We have been trying for years to figure out how to get our current active members names on our One Call list for announcements. Thanks to the fact our community has grown so much we have reached the maximum number of calls that can be made with the service we have now. In fact, many of you who have joined us the past couple years have never even received a call.

To update our list, we have decided to totally flush the contact list and start entering with most current walks and work backwards. If you have been on the list previously and want to continue to receive One Call announcements. I need you to send a quick email to:

newhorizonemmaus@yahoo.com

with name and current phone #. Please try to limit to one per household so that we can make room for more people. If we do not receive response you will be taken off the call list to make room for others who are trying to get added.

A NOTE FROM THE COMMUNITY LAY DIRECTOR

Blessings all,

I hope as Summer winds down, that each of you has had an opportunity to enjoy time with families. We did a prayer walk around our schools in Abernathy on Monday night, praying over our children, the teachers, coaches, and staff. The Father reminded me as we circled the school of the tremendous impact that our local schools have on our cities. Especially in our small towns, nearly everyone is in some way connected to our schools. I was moved to ask each of you to join in prayer over our kids, teachers, staff, and administrators as well as parents as they move back in to trying to resume a normal schedule after the long break. A verse that came to mind, **Proverbs 3: 5-6 "Trust in the Lord with all your heart; do not depend on your own understanding. Seek his will in all you do, and He will show you which path to take."**

I pray as our families go back to school and as we get closer, and closer, to a very important election this year that we will all be able to put any preconceived thoughts, emotions to side and "seek HIS will" and trust that in all the unknown that He will show us which path to take.

August is also pivotal as our Emmaus Community attempts to get back to a normal schedule. Jason Sisson will be leading Men's Walk #53, Aug 27-30th. Please keep Jason, and his team in your prayers as there are so many distractions going on. Pray that they will be able to focus on what they are being called to do.

I encourage you all to get your pilgrims signed up early and come out to support these mighty men of God. I know it will be an awesome weekend. Try also to come to Community on the 20th if possible as we pray over this team.

~De Colores, James K

A NOTE FROM THE COMMUNITY SPIRITUAL DIRECTOR

Hello Community,

We are pressing in to our last two Walks of the year. The teams are formed and have been preparing with their team meetings. The Board is unified in our support and commitment to these two teams and for both Walks to happen and to prosper.

I hope that each of you will continue to pray for the August Men's Walk and the October Women's Walk. There are so many people that are in-need of receiving all that our Father has for them on these two weekends. Because much is at stake, much prayer from our prayer warriors is needed.

Blessings to you all as you navigate these times with great faith and courage.

~De Colores, Jackie Qualls
