ONE CALL

We have been trying for years to figure out how to get our current active members names on our One Call list for announcements. Thanks to the fact our community has grown so much we have reached the maximum number of calls that can be made with the service we have now. In fact, many of you who have joined us the past couple years have never even received a call.

To update our list, we have decided to totally flush the contact list and start entering with most current walks and work backwards. If you have been on the list previously and want to continue to receive One Call announcements. I need you to send a quick email to:

newhorizonemmaus@yahoo.com

with name and current phone #. Please try to limit to one per household so that we can make room for more people. If we do not receive response you will be taken off the call list to make room for others who are trying to get added.

A NOTE FROM THE COMMUNITY LAY DIRECTOR

Blessings all,

I was so excited to see Men's Walk #53 completed and according to all the reports, it was a great weekend. I believe this was an important step in getting back to what this Community does best. Let the Fathers love be shown as it flows through our community.

It was awesome to see New Horizon Community come out and support the activities of the weekend. If you were unable to attend, you really missed a blessing.

We now turn our attention to supporting Women's Walk #77, on October 8th. Please be intentional about continuing to lift Amanda, and her team up as they continue to press in and listen to the Father for what He has prepared for that weekend.

My encouragement for this month is **Psalm 46:10 "Be still and know that I am God! I will be honored by every nation. I will be honored throughout the world."**

It is so hard to be still and be quiet with all the commotion of the World right now. I believe that is exactly what the Lord is wishing for. Can you be still and be quiet, listening for direction and guidance, allowing Holy Spirit to minister and bring quiet and peace to your chaos? Honor God this month with your time and be still.

~De Colores, James K

A NOTE FROM THE COMMUNITY SPIRITUAL DIRECTOR

Hello Community,

The August Men's Walk was an amazing success! Our Father moved so powerfully and brought freedom from bondage, hope from despair, and clear direction from wandering. It is so fun to ride in His "shirt pocket!" Jason Sisson, Bruce Slaughter, and the team moved forward with this Walk, in great faith and courage. God has blessed their faith and courage by allowing them to stand on Holy Ground and watch The Holy Spirit change lives!

The October Women's team has made the same commitment and will be crossing that finish line in just a few weeks. Be praying for them. Only God can do the things we have seen. Only God. Praise Him! Glorify Him! He alone is worthy!!
