## Meditate on These Things

I can't believe that it's already August and school starts in a couple of weeks. It seems like time is compressed. Amos the Prophet said, "Behold, the days are coming," says the Lord, "When the plowman shall overtake the reaper..." I think we're there. The world has been through a lot of difficult stuff over the past two years, and we're still going through a lot if you watch the News Channels. But the Bible teaches us to maintain an "attitude of gratitude" in all things. Specifically, to "rejoice always" and to "give thanks in all things." How do you do that in the midst of all the chaos currently going on in the world?

Paul says in Philippians 4 the secret is to think about what you're thinking about! He said, "...whatever things are true, whatever things are noble, whatever things are just, whatever things are pure, whatever things are lovely, whatever things are of good report, if there is any virtue and if there is anything praiseworthy —meditate on these things. 9 The things which you learned and received and heard and saw in me, these do, and the God of peace will be with you." No matter what we're going through, if we will examine our lives closely, we will almost always find that there are many things we can be grateful for. I believe an "attitude of gratitude" is essential to ward off a spirit of depression. When you're thankful...you can't help but be joyful, and the "joy of the Lord is your strength."

In this season we all need strength. One way to maintain that strength is to meditate on the good things that are all around us. None the least of which is the presence of the Lord! Aren't we thankful that we're in covenant with Him and He has made us a promise to take care of us in every circumstance. Maybe we should watch the News a little less and dwell on the promises of God instead! There is one indisputable truth in the universe. God is good and He loves us! And He turns all things to good to those who love Him and are called to His purposes! Perhaps we should meditate on that!

Guy

Just sat through a class on threats that our school systems face and how we identify and handle those threats. It made me think, are we as Christians being observant to threats and attacks from the enemy? Are we able to identify those threats and attacks? More importantly how are we handling them? Remember to put on the full armor of God and be prepared for what Satan will throw at you. Just because we have a relationship with Jesus, doesn't make us immune.

Remember mens walk #58 with Brian Gerstenberger and Guy Walker starts next Thursday. Get your pilgrims signed up!

## ARC Building Fund

Exciting News — The ARC is growing

PLANS ARE IN PLACE TO BUILD A CONFERENCE / BOARD ROOM

The Old conference room will be the new chapel and the current chapel will become the set up area for food and coffee tables during walks. The current board room will be the new agape kitchen and the current kitchen will become a much needed storage area. At this time, our NHE Community has half the budgeted amount to complete this vision! So please, pray about how you might contribute or what you could do to give for this exciting new addition. Construction bids are still being gathered.

Please mail any donations to the ARC building fund.
