GOLD is mention 417 times in the Bible.

Gold played an important part in the construction of the tabernacle and temple. The ark was overlaid with gold and many of the utensils were made of gold, as well as part of the structure itself (Exod 25:11-39; 1 Kings 6:20-35). Gold's symbolic association with royalty made it natural choice for the house of the King of kings and the instruments used in worshipping him.

ARC BUILDING IS UNDERWAY

Exciting News — The ARC is growing

The Old conference room will be the new chapel and the current chapel will become the set up area for food and coffee tables during walks. The current board room will be the new agape kitchen and the current kitchen will become a much needed storage area. At this time, our NHE Community has started building our new space and we couldn't be more thrilled! So please, pray about how you might contribute or what you could do to give for this exciting new addition.

Please mail any donations to the ARC building fund.

BUILDING HAS STARTED OUR NEW CONFERENCE / BOARD ROOM

A Word from Mike & LeeAnn

"I can't believe we've been doing our third month. Time flies when you are doing HIS work and such a chore when doing OUR work. Let us continue to be mindful that trials and tribulations are just around the corner but knowing victory is already ours. I keep saying this but it is such an amazing privilege to be part of the leadership team for New Horizons! I am humbled by the dedication of this team. I used to believe that this group would charge hell with a water pistol. However with these guys who needs a water pistol!"

Lastly I could not be more excited and proud about our new conference room at the ark. This has been a God thing from the start and much thanks to Roger Lindsay and the ark board for all the work and oversight. We will have a consecration and dedication service at our next community meeting Thursday the 16th of March. Plans are for Sherry and Tiffany's walk to be first walk. Praise God!!!

We will be having our meal at the cafeteria at the ark. We will be starting at 6:00 instead of 6:30. Ricky is going to furnish the meats and we all need to bring our favorite sides. Let's pack the place! Hallelujah!

May God's richest blessings be upon you all."

Mike
