Blessings to our Community!

I can't believe that we are almost halfway through 2023!

Time and again we are hearing how powerfully that Holy Spirit has been working to heal restore those who are hurt and broken hearted!

The word that Holy Spirit keeps impressing my spirit is Trust Me. The conviction that is coming with this is do I really trust the Lord? Lord is telling me my life doesn't look like it.

What does trust look like? When you trust God there is peace!

Philippians 4: 7 "And the peace of God that surpasses all understanding will guard your hearts and your minds in Christ Jesus."

Are unsettled, stressed, no peace? Maybe it's a trust issue. Trust Him!!!! Glory!
