Focus Phrase:

Freedom

Where the spirit of the Lord is, there is freedom.

2 Corinthians 3:17

A Word from Mike & Lee Ann:

One of the many things that I absolutely love about our community is our monthly get together. What a joy to fellowship, worship, and partake in communion with you guys.

I have had many discussions with fellow believers about what church should look like. Even have thought about what worship will look like in heaven. In both cases I bet it looks a lot like our month community meetings. I love the way we do communion! I still get teary eyed every time I have the privilege of partaking of the bread and wine with you my brothers and sisters. But being together and worshipping with ya'll rocks me to the core. And getting more than a few hugs is medicine to my soul. ☺

John 4:24 says that God is actually seeking those who will worship Him "in spirit and in truth". I believe the only place in scripture where God says he seeks anything is in John 4:24. Our community worship is full of those who worship the Lord in Spirit and in truth.

I encourage you to take that posture of worship back to your local church. Your worship is infectious!

Love you guys more than you can imagine!!!

Mike Hensley

Our community is made up of so many people that are using their gifts and talents for the Lord. I got this from gifted writer, Jennifer Spears and thought you guys would enjoy it as I did!!

Have you ever been in the middle of a struggle and thought "Where are you God? Why can't I hear you?" You have been praying for so long about the situation but you just don't feel like He's answering. If we're being honest, I think we could all say that we have. The world we live in is so fast paced and filled with so much noise and chaos, that sometimes we have a hard time hearing Him. We don't intend to let the world be louder but, without realizing it, we allow the world to drown out His voice. Don't be discouraged. He is always there and always working, even when we can't see it. Remember that He is louder than this world, we just need to stop and listen. He might just be trying to tell us to have patience and remember who He is.

Psalm 40:1
"I waited patiently for the Lord; he turned to me and heard my cry."

Psalm 46:10
"Be still, and know that I am God"

Romans 8:28
"And we know that in all things God works for the good of those who love him who have been called according to his purpose."
