## A Word from Justin & Reydon

I pray you all had a great Resurrection Sunday weekend. A time that should mean so much to who we are, what Jesus did for us and the authority that he gave us to walk in! To bring everything heaven had to earth so that we do not have to live in bondage or in the curse! I pray that we as a community and individual would step into this power and calling that has been given to us! that we share it every were. That it starts at our kitchen table and with our family but also with our neighbors, the people we work with, the people at the grocery store, and everyone else that we come in contact with! Let them have an experience like the women at the well did with Jesus, or the man who cleansed of leprosy. Maybe this is asking if we can lay hands on them and pray for there issue, whatever it is to be healed in the name of Jesus. Maybe it's just us stopping and letting someone share the pain with you and the praying and walking with them through it! Jesus paid for it all, all we have to do is receive it and step into it! Love you guys and galls,

keep pressing in!!!  
Justin

Deep Calm  
The Power of Joy

The Fruit of the Spirit is a natural reflection of what is taking place in the heart of someone in communication with Jesus. As we grow deeper in our relationship with Him, we leave our "secret place" to find we have more love, joy and peace, which is the longing of the soul. While happiness is temporary, joy is a long lasting and more of a state of being, where we are convinced everything will turn out for us in the end. Blessings and joy to you all.

Reydon
