Let's look at the qualities of LOVE explained in the Bible...

The kind of love mentioned by Paul in 1 Corinthians 13 is love given by God, and the perfect example is Jesus.

From Bible verses, here are some attributes of love.

Love has patience. Love has kindness.
In every facet of life, love infuses meaning.
It doesn't envy. Love's not bragging.
Love doesn't get angry easily.
With the reality, love rejoices.
Love holds no record of errors.
Love doesn't ever fail.
Trusts in Love. Protects passion.

A Word from Trevor & Jill

Hello New Horizons Emmaus Community! My name is Trevor Turnbow and I'm the 2025 Community Lay Director. I'm so thankful to be on this Guardian Board with some amazing servants of God. I believe and expect this year to be abundantly fruitful as we fix our eyes on the vision of growth through stewardship, discipleship, and accountability.

So a little background about me - I've been married to Ashley Turnbow for 16 years and we live in Muleshoe. We have four girls - Tralee (14), Tabry (13), Auburn (7), and Avynn (5). They definitely keep us young and on the move! Ashley and I are the owners of EEVOLVE, an embroidery and screen printing company with a vision of exposing Kingdom purpose in people and building a culture-shifting community. We believe EEVOLVE is a ministry that allows us to love people and help them find their true identity.

As we step into 2025, I pray that we all find time to seek the Lord and ask Him what He's given us to steward and care for. We all have been called to serve this community in different ways - through angeling, leading a table, creating agape gifts, providing meals, or giving a talk - and we have a responsibility to do those things with excellent stewardship. Thank you for your yes and I pray that your yes will be fruitful and take territory for the Kingdom of God!

Blessings and Favor,
Trevor Turnbow

You may not know that the United States has a Bible verse of the year as well. The statistics on various bible apps are tracked. The most popular Bible verse of 2024 was Philippians 4:6 "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God." There were stressful things last year that caused some worry.

His words be anxious for nothing encourage us to cultivate a mindset of trust, prayer and gratitude in our relationship with God. As life brings challenges and concerns, we should turn to prayer and seek His guidance and comfort. Do you trust the plan, purpose, and sovereignty of God as He can use all circumstances to fulfill His kingdom purposes? Paul tells us to petition with thanksgiving - this calls for specific prayers telling God our worries and asking for help.

When worry comes, remember that God's got you. His word says that He will meet all your needs according to the riches of his glory in Christ Jesus. The God of peace was with the Philippians and He is with us as well.

Our community is so amazing when it comes to helping and supporting one another - our love for one another is special. If you are facing challenges, don't face them alone. First, reach out to God, and then, reach out to one of your Emmaus brothers or sisters. Let us stand beside you in prayer and petition. Prayer changes things.

Jill
