COMMUNITY Word

Hello MARCH!

March is that month that springs forth excitement for new opportunities, weather patterns, temperatures and (hopefully) moisture at just the right time. Can also serve as a time to say good-bye to a season too. See the spiritual lessons in the moment? Are you looking forward? Are you encouraged and approaching the Throne room with a spirit of expectancy? Are you encouraged by changing (spiritual) wind patterns? If nothing seems to be happening now, press in. Prepare. If you feel like you are a mouse chasing who knows what on a wheel going round and round, press in. Prepare. Times of looking forward and preparing for the unknown is hard because it requires initiative, grit, tenacity and resist feeling bored or forgotten. This Month of March, prepare for the changing of seasons (physically & spiritually). Believe for and keep pressing in for the coming wind and the glorious rainbow filled sky with rain...fresh rain that brings good, growth and all things to life. Be encouraged today. This March isn't your madness, it's the fresh beginning of YOUR Season - This is YOUR Time! Press In!

Verse of the MONTH

*In HIM we have obtained an inheritance, have been predestined according to the purpose of him who works all things according to the counsel of his will
Ephesians 1:11*

As we step into February, Holy Spirit is asking each of us a question- "What are you carrying into the rooms that you enter? Are you carrying fear or trust? Noise or quiet "Jesus' confidence?" Stress or peace?" We all have had the amazing opportunity to encounter the Father, Christ and Holy Spirit which means that John 14:27 refers to us when Jesus says, "Peace, I give you." Peace is something everyone wants, but very few actually walk in. The world tells us peace is the absence of trouble-when things are going well financially, our health is good and everyone is getting along well together. But Jesus offers something that is radically different. He GIVES HIS PEACE-a peace that exists despite trouble. The peace He gives us is not borrowed, its not temporary and it is not a denial of reality. It is the peace that carried Him through the cross. That means it is not ours; it's HIS PRESENCE. This peace is not meant to stop with us; it is meant to move through us to others.

I am so honored to serve as your Spiritual Director and I'm looking forward to what the Father has for this community this year... He has given us a huge field that He wants harvested and we are so blessed that He desires to use us as vessels in that work. I am so proud of each of you and I love you dearly.

Let us be people who when we show up, peace shows up too!
