## Fruits of the Spirit

## Verse of the MONTH

"He is like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither.." ~ Islam 1:3

## COMMUNITY Word

Feeling uncomfortable? ...or as if you are dead center in God's footsteps but stretched to point of vulnerability? This is for you my Friend! This time or situation of 'uncomfortable' is not of no use! It is training or even a conditioning of sorts. The quiet endurance, the decisions no one applauds, the moments where you exercise self-control instead of reacting....keep choosing that high road and narrow gate. Stay steady. strong and focused. God is all about Y.O.U.! His Goodness and Mercies are new every Morning. You are positioned perfectly, even if its mor Comfortable.

DeColores! Lori Powell
